ABOUT THE INSURANCE LAW SECTION OF THE STATE BAR OF TEXAS

The purpose of the Insurance Law Section is to comprehensively address many substantive areas of Texas insurance law. Its goal is to have a bi-partisan focus, balancing the interests of both policyholder lawyers and insurance company lawyers. The Section will seek to provide a forum for the Texas practitioner where all areas of substantive insurance law and procedural aspects of insurance litigation are addressed. Some of those areas include environmental coverage, directors' and officers' coverage, professional liability coverage, reinsurance coverage, agent/broker issues, London market issues, emerging coverage issues, regulatory issues and many others.
